

CALL FOR APPLICATIONS FOR ADMISSION

ACADEMIC YEAR 2027

Placement-Based Education for Impact™ (PBEI) **Learning for Competence. Practice for Impact.**

The **Elon Musk University of East Africa (EMUEA)** invites applications from suitably qualified applicants for admission to its academic programmes for the **2027 Academic Year**. EMUEA is a digital university committed to expanding access to quality higher education, particularly for students who may face financial, geographical, or other barriers to conventional university education. Our educational model is founded on **Placement-Based Education for Impact™ (PBEI)** — an approach that connects academic learning with real-world practice, professional mentorship, community engagement, and competence development.

HOW TO APPLY

Admission requirements and application form are available at our main website: emuea-edu.org. Applicants should prepare their application dossier and submit it directly to: admissions@emuea-edu.org. Applicants should ensure that all required documents are clearly scanned and attached to their application. **All admissions are provisional until the required placement arrangement has been confirmed.** Where a suitable placement site is not immediately available, EMUEA may defer the student's placement, programme commencement, or relevant practical component until an appropriate placement opportunity has been secured. **Meeting the minimum academic requirements does not, by itself, guarantee final admission or programme commencement.** Admission decisions will be communicated to applicants by the EMUEA Admissions Office.

APPLICATION DEADLINE

Application Deadline: December 31st, 2026. Applications may be submitted before the stated deadline. Where places remain available, EMUEA may continue to consider applications after the deadline at its discretion.
